

Sardis Community Church Families Group

This is a time where we can get together and fellowship. We look forward to a fun Spring where we can get to know each other and our kids can play and become friends.

We plan on doing a variety of activities. Some Sunday afternoons we'll meet at someone's house, other days we will go and doing something fun together and some weeks we'll have a potluck dinner together. Feel free to come every week, or whenever you are able to make it.

** Being a host:*

As a host you are in charge of providing something to drink and a small snack. If you are hosting the potluck, everyone will contribute.

***NOTE: FOOD ALLERGIES: Peanuts.**

** Being a guest:*

As a guest we just ask that you let the host know if you are coming ahead of time so they can plan. We all understand that things come up, but if you can let the host know as best as you can what your plans are they would appreciate it.

NOTE: IF SOMETHING COMES UP AND YOU CANNOT HOST THE GATHERING, PLEASE CONTACT EITHER JOEL AND JEN ASAP. THANK YOU!
