

The World of Dementia

Presented by:

Rev. Doug Johnston

Saturday, January 27, 2018

9:30 am - 12:30 pm

At

Sardis Community Church

45625 South Sumas Rd, Chilliwack, B.C.

For the past 5 years Doug served as Chaplain for the Bethany Care Society in Calgary where he pioneered interactive group sessions with the residents who live with dementia. He also gave support to the friends and families of their loved ones who live with dementia.

He will share about his personal involvement with the residents how he related and communicated with them.

It is our hope that the important relational dynamics presented in this seminar can be applicable to all who have a relationship with someone living in the world of dementia.

No charge. All are welcome to attend.

Light Refreshments are provided
