## Job Description

**Position:** Pastor of Worship Ministries  
**Classification:** Part-time (22 hours per week)  
**Date:** May 15, 2019

## Description

We believe that worship celebrates who God is and all that he does, inviting us to respond with all that we have. We are looking for a part-time pastor who will lead our faith community in worship. The Pastor of Worship Ministries will oversee the worship ministry of our church, coordinating, mentoring, and leading volunteer worship teams for Sunday morning services and special events.

This position is part-time, beginning immediately. We are also seeking a part-time Pastor of Youth Ministries and would gladly combine both positions into a single full-time position for the qualified individual.

We are a mature church of approximately 250 people. We are part of the Conference of BC Mennonite Brethren Churches, adhering to their Confession of Faith and maintaining strong Anabaptist values. We value community life and engagement with our local and global communities. At our core we have a strong commitment to community, egalitarianism, lay leadership, and seeing our world transformed by the good news of Jesus Christ.
