Sardis Community Church Food Closet & Baby Basket

Who uses it? The food Closet and Baby Basket are used by families who attend Sardis Community Church, Sardis Doorway as well as families from the community. Each family is able to access emergency food or a Baby Basket (diapers & wipes) up to 6 times per year.

What is available in the Food Closet & Baby Basket? A list has been developed for the Food Closet with items suggested by Fraser Health and the Agassiz Food Bank. This list includes very basic items that are nutritious as well as what a family would typically eat and would be most helpful for the family.

How can I help? Help us restock the food closet & baby basket with the items on the list below. Get your whole family involved. Donations can be brought to Sardis Community Church Monday – Thursday 8:30 – 2:30 or on Sunday morning
