**I'd love to have you over! Let's dress up and learn together how to come shoulder-to-shoulder with passionate people of the global Church who are desperate for your support.**

**Learn what you can do right now to make someone's world better**

Due to social distancing, this fancy gala night is going to be a very small gathering. We're excited to share delicious food together, but careful to make sure everyone is safe and comfortable. Feel free to connect with me about the precautions we'll be taking!

**Step 1:** Whether you're attending in person or online in the comfort of your own home, please register online using this link:

**[events.gideons.ca](https://events.gideons.ca)**

**Step 2:** RSVP to let me (your host) know how you'll be joining in!

From Canada to some of the most remote and neglected regions of the world, God has opened doors that defy reason.

**Will you stand in the gap for the people who need the light and love of Jesus?**
